

Beech Class Homework Grid - 2.9.26 – 23.10.26

Complete as many of the grid activities as you can. Hand in one a week to gain a raffle ticket each week to take part in the Beech Class Raffle. Just ask if you need any paper or resources from school ☺

Design a holiday postcard for a trip you had in the summer holidays.

Make a collage with different autumn leaves you find during a walk.

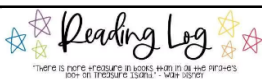

Use rainbow writing or graffiti writing to practice your spellings.

Create a poster about how we can feel good about ourselves?
Name three things in your poster that you are proud of. Consider who supports you and how they can help you.

Complete a survey of favourite meals among your friends and family. Record the results as a tally and present the results as a bar chart.

Design your own mindful colouring sheet. You could draw around your hand or take your pencil for a “walk” over the page. Whatever design you choose, remember to fill in each section with a pattern to be coloured.

DATE	BOOK TITLE	PAGES / MINUTES

Keep a reading log for a week to record all of your reading each day. Count the total minutes for your week. Can you increase your reading time week by week?

Bake some biscuits or a cake and weigh the ingredients. How much would you need if you doubled or trebled the recipe?

Sketch a tree in your local area. Why is it distinctive? How does it feel? What does it look like?
